LucaAgent Manual UI Testing Guide

Step-by-Step User Testing Scenarios

Version: 1.0.0
Last Updated: January 2, 2026
For: QA Testers, Manual Testing

🔑 Test Account Credentials

Password for ALL accounts: `TestPassword123!`

Tier	Login Email	What to Test
Super Admin	`superadmin@lucatest.com`	System settings, deployments
Admin	`admin@lucatest.com`	User management, analytics
Enterprise	`enterprise.owner@lucatest.com`	All premium features
Professional	`professional.cpa@lucatest.com`	API, forensic, white-label
Plus	`plus.business@lucatest.com`	Scenarios, 5 profiles
Free	`free.home@lucatest.com`	Basic features, limits
New User	`free.newuser@lucatest.com`	Onboarding flow
Locked	`locked.account@lucatest.com`	Lockout message

Test 1: Login Flow

1.1 Successful Login (Free User)

Step	Action	Expected Result
1	Go to `https://your-app.railway.app`	Landing page loads
2	Click **"Sign In"** button	Login form appears
3	Enter email: `free.home@lucatest.com`	Email field populated
4	Enter password: `TestPassword123!`	Password field shows dots
5	Click **"Sign In"** button	Loading spinner appears
6	Wait for redirect	Dashboard loads
7	Check top-right corner	Shows "Free Home User" or avatar

✅ **Pass if:** Dashboard loads and user name appears
❌ **Fail if:** Error message or stuck on login

1.2 Wrong Password

Step	Action	Expected Result
1	Go to login page	Login form appears
2	Enter email: `free.home@lucatest.com`	
3	Enter password: `WrongPassword`	
4	Click **"Sign In"**	
5	Observe	Error: "Invalid email or password"

✅ **Pass if:** Error message appears, stays on login page
❌ **Fail if:** Logs in or shows different error

1.3 Locked Account

Step	Action	Expected Result
1	Go to login page	
2	Enter email: `locked.account@lucatest.com`	
3	Enter password: `TestPassword123!`	
4	Click **"Sign In"**	
5	Observe	Error: "Account locked" or similar

✅ **Pass if:** Shows locked message with unlock time
❌ **Fail if:** Logs in successfully

Test 2: Chat Feature

2.1 Basic Chat (Any User)

Step	Action	Expected Result
1	Login as `free.home@lucatest.com`	Dashboard loads
2	Click **"New Chat"** or chat icon	Chat interface opens
3	Type: `What is depreciation?`	Text appears in input
4	Press Enter or click Send	Message appears in chat
5	Wait 2-10 seconds	AI response streams in
6	Read response	Explains depreciation clearly

✅ **Pass if:** AI responds with relevant accounting info
❌ **Fail if:** Error, no response, or irrelevant answer

2.2 Chat with Follow-up

Step	Action	Expected Result
1	Continue from Test 2.1	Previous chat visible
2	Type: `Give me an example`	
3	Send message	
4	Read response	AI gives depreciation example
5	Type: `What about for a car?`	
6	Send message	
7	Read response	AI explains car depreciation specifically

✅ **Pass if:** AI remembers context from previous messages
❌ **Fail if:** AI forgets context or gives generic response

2.3 Chat History Persistence

Step	Action	Expected Result
1	Note the chat title (e.g., "Depreciation Question")	
2	Click **"New Chat"**	New empty chat opens
3	Look at sidebar/chat list	Previous chat visible in list
4	Click on previous chat	Old conversation loads
5	Verify messages	All previous messages visible

✅ **Pass if:** Old chat loads with all messages
❌ **Fail if:** Chat missing or messages lost

Test 3: Subscription Limits

3.1 Free User - Profile Limit

Step	Action	Expected Result
1	Login as `free.home@lucatest.com`	
2	Go to **Profiles** section	Shows "My Taxes" profile
3	Click **"Create New Profile"**	
4	Try to create a Business profile	
5	Observe	Error: "Upgrade to Plus for more profiles"

✅ **Pass if:** Shows upgrade prompt, blocks creation
❌ **Fail if:** Allows creating second profile

3.2 Free User - Export Limit

Step	Action	Expected Result
1	Login as `free.home@lucatest.com`	
2	Open any chat conversation	
3	Click **"Export"** button	Export options appear
4	Try to select **PDF**	Option disabled or locked
5	Try to select **TXT**	Option available
6	Export as TXT	Download starts

✅ **Pass if:** PDF locked, TXT works
❌ **Fail if:** PDF downloads or TXT fails

3.3 Plus User - PDF Export Works

Step	Action	Expected Result
1	Login as `plus.business@lucatest.com`	
2	Open any chat conversation	
3	Click **"Export"**	Export options appear
4	Select **PDF**	Option available
5	Click export	PDF downloads
6	Open downloaded file	PDF opens with chat content

✅ **Pass if:** PDF downloads and opens correctly
❌ **Fail if:** PDF blocked or corrupted

3.4 Plus User - Scenario Simulator Access

Step	Action	Expected Result
1	Login as `plus.business@lucatest.com`	
2	Navigate to **Scenario Simulator**	Tool loads
3	Create a basic tax scenario	Form/wizard appears
4	Run simulation	Results display

✅ **Pass if:** Simulator accessible and functional
❌ **Fail if:** Blocked or errors

3.5 Free User - Scenario Simulator Blocked

Step	Action	Expected Result
1	Login as `free.home@lucatest.com`	
2	Try to access **Scenario Simulator**	
3	Observe	"Upgrade to Plus" message

✅ **Pass if:** Shows upgrade prompt
❌ **Fail if:** Allows access

Test 4: Profile Management

4.1 View Profile

Step	Action	Expected Result
1	Login as `plus.family@lucatest.com`	
2	Go to **Profiles**	Profile list shows
3	Click on **"Johnson Family Finances"**	Profile details open
4	Check **Members** section	Shows: Owner (you), Spouse (admin), Child (viewer)

✅ **Pass if:** All 3 family members visible with correct roles
❌ **Fail if:** Members missing or wrong roles

4.2 Family Member - Viewer Permissions

Step	Action	Expected Result
1	Login as `plus.family.child@lucatest.com`	
2	Go to **Profiles**	
3	Click on **"Johnson Family Finances"**	Profile opens
4	Try to **edit** profile name	Edit button missing or disabled
5	Try to **invite** new member	Invite button missing or disabled
6	Try to view financial data	Data is visible (read-only)

✅ **Pass if:** Can view but cannot edit or invite
❌ **Fail if:** Can edit or invite members

4.3 Family Member - Admin Permissions

Step	Action	Expected Result

1	Login as `plus.family.spouse@lucatest.com`	
2	Go to Johnson Family profile	
3	Try to **edit** profile settings	Can edit
4	Try to **invite** new member	Invite form opens
5	Try to **delete** profile	Delete button missing or disabled

✅ **Pass if:** Can edit and invite, but cannot delete
❌ **Fail if:** Can delete or cannot edit

Test 5: Document Upload

5.1 Upload PDF Document

Step	Action	Expected Result
1	Login as `plus.business@lucatest.com`	
2	Go to **Documents** or open chat	
3	Click **Upload** or attach icon	File picker opens
4	Select a PDF file (any receipt or statement)	File selected
5	Upload	Progress bar, then "Uploaded"
6	Check document list	New document appears

✅ **Pass if:** Document uploads and appears in list
❌ **Fail if:** Error or document missing

5.2 Chat About Uploaded Document

Step	Action	Expected Result
1	Continue from Test 5.1	
2	Start new chat or attach document to chat	
3	Type: `Summarize this document`	
4	Send	AI analyzes document
5	Read response	AI summarizes document content

✅ **Pass if:** AI correctly references document content
❌ **Fail if:** AI doesn't understand or ignores document

5.3 Free User - Document Limit

Step	Action	Expected Result

1	Login as `quota.exhausted@lucatest.com`	
2	Try to upload a document	
3	Observe	"Monthly limit reached" or upgrade prompt

✅ **Pass if:** Shows limit message
❌ **Fail if:** Allows upload

Test 6: Admin Dashboard

6.1 Admin Access

Step	Action	Expected Result
1	Login as `admin@lucatest.com`	
2	Look for **Admin** link in navigation	Link visible
3	Click **Admin**	Admin dashboard loads
4	Check for sections: Users, Analytics, Training Data	All sections visible

✅ **Pass if:** Admin dashboard loads with all sections
❌ **Fail if:** Access denied or sections missing

6.2 Regular User - No Admin Access

Step	Action	Expected Result
1	Login as `free.home@lucatest.com`	
2	Look for **Admin** link	Link NOT visible
3	Try URL: `/admin` directly	Access denied or redirected

✅ **Pass if:** No admin link, direct URL blocked
❌ **Fail if:** Can access admin

6.3 Admin - User Management

Step	Action	Expected Result
1	Login as `admin@lucatest.com`	
2	Go to **Admin > Users**	User list loads
3	Search for `free.student@lucatest.com`	User found
4	Click on user	User details open
5	Find subscription tier dropdown	Shows "free"
6	Change to "plus"	Dropdown changes

7	Save	Success message
8	Login as `free.student@lucatest.com` in new window	
9	Check for Plus features	Plus features now available

✅ **Pass if:** Tier change takes effect immediately
❌ **Fail if:** Change doesn't save or doesn't take effect

Test 7: Super Admin Features

7.1 System Monitoring Access

Step	Action	Expected Result
1	Login as `superadmin@lucatest.com`	
2	Go to **Admin > System Monitoring**	System dashboard loads
3	Check for: CPU, Memory, Active Users	Metrics visible

✅ **Pass if:** System metrics visible
❌ **Fail if:** Access denied

7.2 Regular Admin - No System Access

Step	Action	Expected Result
1	Login as `admin@lucatest.com`	
2	Look for **System Monitoring**	Link NOT visible or disabled
3	Try direct URL: `/admin/system/monitoring`	Access denied

✅ **Pass if:** Blocked for regular admin
❌ **Fail if:** Can access

Test 8: Excel Generation

8.1 Generate NPV Calculation

Step	Action	Expected Result
1	Login as `plus.business@lucatest.com`	
2	Start chat	
3	Type: `Calculate NPV for investment: $100,000 initial, cash flows $30,000/year for 5 years, 10% discount rate`	
4	Send	AI responds
5	Look for **"Download Excel"** button	Button appears

6	Click download	Excel file downloads
7	Open Excel file	Contains formulas (=NPV(...))
8	Check cell with NPV result	Shows calculated value via formula

✅ **Pass if:** Excel has formulas, not hardcoded numbers
❌ **Fail if:** No download or hardcoded values

Test 9: Mobile Responsiveness

9.1 Mobile Login

Step	Action	Expected Result
1	Open app on mobile phone or resize browser to 375px wide	
2	Navigate to login	Login form fits screen
3	Enter credentials	Keyboard appears, form scrolls
4	Submit	Login works

✅ **Pass if:** Form usable on mobile
❌ **Fail if:** Elements overlap or off-screen

9.2 Mobile Chat

Step	Action	Expected Result
1	Login on mobile	
2	Open chat	Chat interface fits screen
3	Type message	Keyboard doesn't hide input
4	Send	Message appears
5	Read response	Response readable, scrollable

✅ **Pass if:** Chat fully functional on mobile
❌ **Fail if:** Input hidden or unreadable

Test 10: Error Handling

10.1 Network Error Recovery

Step	Action	Expected Result

1	Login normally	
2	Start a chat	
3	Turn off WiFi/internet	
4	Send a message	
5	Observe	Error: "No internet connection" or similar
6	Turn WiFi back on	
7	Retry or refresh	Message sends or recovers

✅ **Pass if:** Clear error message, recovers gracefully
❌ **Fail if:** App crashes or freezes

10.2 Session Expiry

Step	Action	Expected Result
1	Login	
2	Leave tab open for 30+ minutes without activity	
3	Try to perform action	
4	Observe	Either still works OR prompts to re-login

✅ **Pass if:** Graceful handling (works or re-login prompt)
❌ **Fail if:** Cryptic error or data loss

Test 11: Professional Features

11.1 Forensic Analysis (Pro Only)

Step	Action	Expected Result
1	Login as `professional.cpa@lucatest.com`	
2	Navigate to **Forensic Intelligence**	Tool loads
3	Upload a financial document	
4	Run forensic analysis	
5	Review results	Shows anomalies, risk flags

✅ **Pass if:** Forensic analysis runs and shows findings
❌ **Fail if:** Blocked or no results

11.2 Forensic Blocked for Plus

Step	Action	Expected Result

1	Login as `plus.business@lucatest.com`	
2	Try to access **Forensic Intelligence**	
3	Observe	"Upgrade to Professional" message

✅ **Pass if:** Shows upgrade prompt
❌ **Fail if:** Allows access

Test 12: Onboarding Flow

12.1 New User First Login

Step	Action	Expected Result
1	Login as `free.newuser@lucatest.com`	
2	Observe	Onboarding wizard or "Create your first profile"
3	Follow prompts to create profile	Profile created
4	Complete onboarding	Taken to dashboard

✅ **Pass if:** Guided through setup
❌ **Fail if:** Dumped on empty dashboard

Quick Test Checklist

Smoke Test (5 minutes)

- ☐ Login works
- ☐ Chat responds
- ☐ Can see profile
- ☐ Can logout

Full Regression (30 minutes)

- ☐ All login scenarios (1.1-1.3)
- ☐ Chat with context (2.1-2.3)
- ☐ Free user limits (3.1-3.2)
- ☐ Plus features work (3.3-3.4)
- ☐ Profile permissions (4.1-4.3)
- ☐ Document upload (5.1-5.2)
- ☐ Admin access control (6.1-6.3)
- ☐ Excel generation (8.1)
- ☐ Mobile works (9.1-9.2)

Bug Report Template

When a test fails, report:

```
**Test ID:** 3.1 Free User - Profile Limit
**Account Used:** free.home@lucatest.com
**Expected:** Error "Upgrade to Plus for more profiles"
**Actual:** Second profile was created successfully
**Steps to Reproduce:**
1. Login as free.home@lucatest.com
2. Go to Profiles
3. Click Create New Profile
4. Select Business type
5. Click Create
**Screenshot:** [attach]
**Browser:** Chrome 120 / macOS
```
